

be better

Friends of John Paire, Inc.

Fund Request Form

John was a lifelong member of the Dudley-Charlton communities and in 2008, he proudly became an educator in the district. While John dedicated himself to giving each student numerous, deserved opportunities, he truly believed that we all could “be better” ... So in his memory, name and honor, this fund has been established to help Dudley-Charlton children have access to an enriched, well-rounded educational experience regardless of their socioeconomic status.

Student(s) name: _____
